

Quadrant Apparel Group established in 2017, at Hawassa Industry Park, Embraces the spirit of global trade. The company is dedicated to excellence in merchandising, product development, production and logistics. We have earned a reputation in the global apparel industry as one of the foremost factories in Ethiopia for our commitment to quality, timely delivery and total value. Through our extensive sourcing network, we have the ability to effectively procure the best materials. Our customers rely on us to deliver the best quality products and superb service which enables them to successfully compete in the emerging market place.

The manufacturing plant will produce four types of products, namely women pants, blouse/dress/skirt, Dress pants men, and Dress Shirt. It will have a total

daily production capacity of 11,304 pieces with a product mix of 33% women pants, 33% blouse/dress/skirt, 17% Dress pants men, and 17% Dress Shirt.

We are committed to
provide excellence at all
levels of production

The prices correspond more to the quality of the raw materials used and the processes which it is produced and the market segment to which the garments are addressed. We are always thinking about the European market.

These products are selected as they are able to satisfy all consumers needs and expectations with regard to apparel wear in general.

The Garment Production unit located in Hawassa, Ethiopia. The plants have over 500 modern machines with a production capacity of 3,391,200 pcs garments per annum depending on items and style. Our production and management teams with 950 workers, are dedicated to achieving our Clients' production goals. We welcome all our prospective customers to visit and evaluate our factories firsthand.

The four garment lines are basic in the production of garments today. In women's garments we make top garments (blouses or shirts) that have high demand in the market and lower garment (skirts and pants).

In men's clothing we have selected the shirts and pants that are also very demanded in the market.

QUALITY ASSURANCE

Quadrant Apparel is committed to providing the highest quality products. All garments pass through strict quality control checkpoints at every stage of production. Corporate quality auditors to oversee production, work independently from floor management and report to the Director of the company.

CERTIFICATIONS

The Quadrant Apparel factory has been evaluated and certified by SGS as an approved vendor under the vendor code of conduct for several other companies.

PERSONNEL

We are proud of our employees who have chosen to grow with us. Quadrant Apparel started as a family-owned company inspired by a powerful sense of enterprise. The commitment to purpose runs throughout the business. Many of the employees who started with the company in 2017 have chosen to stay and grown.

They have worked hard, contributed to the success and in a sense, have become part of the larger Quadrant Apparel family. This “family” takes care of its own during difficult times and shares together in the good times. Through many varied social programs, it also reaches out to the greater society. Quadrant Apparel is proud of our heritage, the business we have built and the employees who have chosen to grow with us.

COMMITMENT TO EMPLOYEES

The company has a progressive management team and provides wage and benefit programs that meet the standards set by international agencies and exceed the national minimums. Quadrant Apparel is among the first companies in Ethiopia to work with joint venture business in the IPDC compound.

It recognizes that health, safety and worker morale are keystones in attaining the capability to produce high quality apparel. The factory is housed in IPDC building and we provide an excellent work environment that includes sanitation, ventilation and natural lighting. Quadrant Apparel believes in training and provides all employees with free health, hygiene, medical and training programs.

Benefits include access to staff doctors, medicine and a women's health. Safety programs and routine drills have provided that the facilities and employees are capable of dealing with emergencies with more efficiency than required by international agencies. In terms of compliance and customer requirements, Quadrant Apparel has always been proactive in taking care of its own family & outside encouragement has never been necessary.
