Profile	<p>Best International Garments PLC (BIGPLC), HIP is the subsidiary of Best Corporation Private Limited (BCPL). BCPL is an integrated textile manufacturing company, established in the year 1967 in Tirupur, Tamil nadu, India, having operations across the spectrum from spinning to garmenting. BCPL currently employs about 12,500 people including 1500 people by BIGPLC Ethiopia and is one of the largest exporters of knitted garments from Tirupur, India & Hawassa, Ethiopia. BCPL & BIGPLC produce knitted garments for men, women, teenagers and toddlers for the world market and specialize in underwear and baby wear. In some specific categories that the company specializes in, BCPL would be the leading exporter from the country. BCPL's energy requirements are carbon neutral as entire energy consumption is generated through wind & solar power.</p>
